1. Aim of this task

In order to enable all partners to benefit from the web functionalities of the web platform, its address was announced to the partners at the kick-off meeting.

2. Work done

The web platform was announced during the kick-off meeting, as shown in *Figure 1*, which represents the beginning of the relative presentation delivered by Volker Schöber (ECN), NANO-TEC Web Manager at the time of the meeting. The consortium received well the presentation and posed several questions in order to understand the applications of the web.
