

MOLD-ERA Web –Site, Logo, and Pictures from various events

Project public website address: www.mold-era.eu

Project logo:

Photo 1: Graduates of the 1st Advanced Training Course on Nano-bioengineering

Photo 1: Participants of the 2nd Summer School on Nano-bioengineering (July 2-6, 2012)

Photo 3: Participants of the 1st Summer School on Nano-bioengineering (July 3-7, 2011)

Photo 4: Dr. Andrei Sarua (UNIVBRIS) delivering a lecture during the 2nd Summer School on Nano-bioengineering

Photo 5: *CYLOS 160 RIE Plasma Etch System*

Photo 6: *Multi-gas Incubator Bio-station SANYO – model MCO-5M*

Photo 7: *Participants of the Proposal Writing Workshop (June 29-July 1, 2011)*

Photo 8: *Participants of the Proposal Writing Workshop (July 4-6, 2011)*

Photo 9: *Participants of the Proposal Writing Workshop (November 14-16, 2011)*

Photo 10: *Participants of the Proposal Writing Workshop (November 21-23, 2011)*

Photo 11: Participants of the Financial Workshop (July 3, 2012)

Photo 12: Marie Curie Financial Workshop (February 28, 2012)

Photo 13: Proposal Writing Workshop (October 24-26, 2012)

Photo 14: Proposer's Workshop (March 4-6, 2013)

Fig.1 Knowledge map displays links between R&D organizations active in the nanotechnology area in Moldova and their collaboration partners abroad (available at <http://mold-era.eu/knowledge-map>)
