

# Future Networks Newsflash

February 2010

Dear colleagues,

We would like to thank those of you who attended the [Future Networks 5th FP7 Concertation Meeting](#), organised in Brussels on 26-28 January 2010. The presentations are now available on the event website.

We now invite you to save the date for our next project concertation event, the [Future Network & Mobile Summit 2010](#), which will be held in Florence on **16-18 June 2010**. The **Call for Exhibitors** deadline is **5 March** and registrations will be opening soon. Moreover, the **Future Networks 6th FP7 Concertation meeting** will be held in Brussels on **18-20 October 2010** and we welcome you to submit a **workshop proposal** until **30 June 2010**.

In addition to the latest updates on the forthcoming **milestone events** for the **network research community**, we also take the opportunity in this newsletter to draw your attention on the recently issued report, "[Future Networks -The Way ahead!](#)". It brings interesting insights on the main **trends** and **research challenges** in the design process of the **Future Internet & Future Networks**, representing a broad range of stakeholders and the main **research roadmaps** of the **networking research community**.

With Best Regards,

**Rainer Zimmermann**  
Head of Unit for Future Networks
