# 2004 events

## Meta science

- Projects reviews in March - Bratislava

## Call for proposals

- 5th QIPC workshop in September - Roma

## Allowable costs

# Call for proposals

Meta  
science

- 1st quarter 2004

2004  
events

- EC political mandate is to build Europe, funding science is just a means

Allowable  
costs

- Europe will soon include new members, but it includes also some large/small “old Europe” members, somehow forgotten

# Allowable costs

Meta  
science

Extra money paid by the organizers for nicest  
weather in Oxford in 200 years

2004  
events

is not an allowable costs under current EC contractual  
conditions
