ERCIM "Alain Bensoussan" Postdoctoral Fellowships Programme next round open

ERCIM offers fellowships for PhD holders from all over the world. The next round is now open! Next deadline for applications: 30 April 2012

Topics cover most disciplines in Computer Science, Information Technology, and Applied Mathematics.

Fellowships are of 24 month duration, spent in two ERCIM member institutes, or of 12 month duration spent in one institute.

Detailed description of the programme and the application form: [http://fellowship.ercim.eu/](http://fellowship.ercim.eu/)

Conditions:

Applicants must:
- have obtained a PhD degree during the last 8 years (prior to the application deadline) or be in the last year of the thesis work with an outstanding academic record.
- have completed the PhD before starting the grant (a proof will be requested).
- be fluent in English.
- be discharged or get deferment from military service.
- fellowship is restricted to two terms (one reselection possible).

ERCIM Fellowships are co-funded by Marie Curie Actions.
