In light of the ongoing COVID-19 outbreak and consequent movement restrictions imposed in some European countries, and in the aim of maximising the number of high-quality offers we receive, the ARCHIVER Project Office has decided to grant a two-week extension to the Request for Tenders.

The ARCHIVER Request for Tender is therefore extended to 14 April, 4 pm Geneva time.

The information session to be held on 18 March 2020 is confirmed: we strongly invite all interested parties to join and ask questions there.
