Reporting in Horizon 2020 and Horizon Europe: Continuous Reporting and Periodic Report

This webinar will provide a great overview of the reporting duties including the tasks to be completed during the Continuous and Periodic Reporting and the detailed introduction to the official online reporting tools.

© Europa Media Trainings

Live online course on 19 October 2020 at 14:00 CEST

Duration: 90+30 minutes

Topics covered:

*Continuous reporting functionalities to submit deliverables, to report on progress in achieving milestones, to follow up on critical risks, ethics issues, publications, communications activities, and the answers to the questionnaire on horizontal issues.

*Periodic report: How to develop and what to include into the Technical report: Part A and Part B? How to complete on-line the Financial statement including the explanations on the use of resources?

*EU assessment of the Periodic report.
