The Agro-industrial Research Unit, part of DG XII, of the European Commission has published a catalogue of projects selected following the first and second calls for proposals under the specific RTD programme in the field of agriculture and fisheries (including agro-industry, food technologies, forestry, aquaculture and rural development) (FAIR).

The catalogue covers 90 projects selected in the areas of the programme managed by DG XII:

- Area 1: Integrated production and processing chains;
- Area 2: Scaling-up and processing methodologies;
- Area 3: Generic science and advanced technologies for nutritious foods.

The first and second calls under the FAIR programme were launched on 15 December 1994 (OJ No C 357 of 15.12.1994) and 15 June 1995 (OJ No C 148 of 15.6.1995 p. 41).
