## Deliverable Summary

This deliverable gives a concise graphic representation of the research roadmap for the flagship targeting graphene-based revolutions in ICT and beyond.

**Deliverable**

*Figure 1: Illustration of the European graphene roadmap for the period of 2013-2023 and beyond for exploitation of the unique graphene material platform for a wide range of applications in ICT, energy, materials and beyond.*

**Figure 2:** Illustration of the European graphene roadmap for the period of 2013-2023 and beyond for the development of materials and processes needed for a wide range of components and applications, and the vision to bring these components to market.
