

- 17th Germinal Centre Conference, Birmingham, UK, September 4–8, 2011. Title: In silico prediction and in vivo verification of affinity-dependent T cell help in germinal centres.
- Immune cell dynamics and antigen presentation in experimental atherosclerosis (07.12.11) British Society of Immunology Congress 2011, Liverpool, UK.
- Banff Meeting 2011 was attended by Carneiro (Gulbenkian), Meyer-Hermann (Helmholtz), de Boer (Utrecht), Coombs (UBC), Molina-París (Leeds), Lythe (Leeds), Dushek (Oxford), van der Merwe (Oxford) and Olivieri (Vigo). This conference was attended and organised by network partners, but it was open to non-INTI partners. This scientific programme allowed a number of INTI partners to get together and discussed research objectives and future plans.
- Dresden Meeting 2011 was attended by Carneiro (Gulbenkian), Freitas (Pasteur), Callard (UCL), de Boer (Utrecht), Faro (Vigo), Hodgkin (WEHI), Meyer-Hermann (Helmholtz), Molina-París (Leeds), Lythe (Leeds) and Ribeiro (LANL). This conference was attended and organised by network partners, but it was open to non-INTI partners. This scientific programme allowed a number of INTI partners to get together and discussed research objectives and future plans.
- Dresden Meeting 2012 was attended by Carneiro (Gulbenkian), Callard (UCL), Molina-París (Leeds), Lythe (Leeds), Faro (Vigo), Freitas (Pasteur), Hodgkin (WEHI), Olivieri (Vigo) and Ribeiro (LANL). This conference was attended and organised by network partners, but it was open to non-INTI partners. This scientific programme allowed a number of INTI partners to get together and discussed research objectives and future plans.
- KITP Meeting 2012 was attended by Callard (UCL), de Boer (Utrecht), Molina-París (Leeds), Hodgkin (WEHI) and Ribeiro (LANL). This conference was attended and organised by network partners, but it was open to non-INTI partners. This scientific programme allowed a number of INTI partners to get together and discussed research objectives and future plans.

#### 4.2 Publications by network partners

Due to space constraints, no more than three publications for the 2011-2012 reporting period and per partner institution have been included.

- Publications generated by Oxford include<sup>[1–3]</sup>.
- Publications generated by Glasgow include<sup>[4–6]</sup>.
- Publications generated by UCL include<sup>[7,8]</sup>.
- Publications generated by Vigo include<sup>[9,10,10]</sup>.
- Publications generated by Comillas include<sup>[11]</sup>.
- Publications generated by Utrecht include<sup>[12–14]</sup>.
- Publications generated by Helmholtz include<sup>[15–18]</sup>.
- Publications generated by UBC include<sup>[1,19,20]</sup>.
- Publications generated by WEHI include<sup>[21,22]</sup>.
- Publications generated by Pasteur include<sup>[23,24]</sup>.
- Publications generated by IISc include<sup>[25,26]</sup>.
- Publications generated by Gulbenkian include<sup>[27,28]</sup>.
- Publications generated by LANL include<sup>[29]</sup>.
- Publications generated by Auckland include<sup>[30]</sup>.
- Publications generated by Leeds include<sup>[31–33]</sup>.
