

# **THE COBACORE PROJECT – A COMMUNITY-BASED APPROACH TO DISASTER RECOVERY**

# The COBACORE communities

# The COBACORE platform

# A marketplace for affected and responding communities

The screenshot displays a user interface for a disaster response marketplace. At the top, there are four buttons: "I Need Help" (red), "I Can Help" (blue), "Register Group Activity" (green), and "Attend a COBACORE workshop" (orange). The top right corner shows the user "martijn\_affected" with a notification count of 0, and a "Tutorial" button.

The main area features a map of a city with several red and green markers indicating help requests and offers. A specific request is highlighted in a red box:

**What Help Is Needed?**

I need transportation of goods to the city shelter

# A dashboard for professionals

# Tools for organisers and community champions

The screenshot shows a web-based application for organizing community events. At the top, there are tabs for 'I Can Help', 'Register Group Activity', and 'Tutorial'. Below these are buttons for 'WHAT', 'WHO', 'WHERE', 'WHEN', and 'LINKS'. The main area is titled 'Activity Description' and contains the following text:

LEIDEN ON THE MOVE AGAIN

Let's help Leiden on the move again!  
Do you need transportation? Can you help?  
Do you have a car? Join us!  
Together we can make things move again!
