COSBICS

Computational Systems Biology of Cell Signalling

A “specific targeted research or innovation project” (*STREP*)
supported by the European Commission
in the Sixth Framework Programme (FP6)
Priority Life Sciences, Genomics and Biotechnology for Health

Final Activity Report Publications

Period covered: **Month 1 to 39**
Start date of project: **01-Jan-2005**

Date of preparation: **March 2008**
Duration: **39 Month**

Project coordinator: **Prof. Olaf Wolkenhauer**
Project Coordinator Organisation: **University of Rostock**
