

Final PACE Conference: “Global Views on Palliative Care for Older People: priorities in research and clinical practice” - May 25th, Bern, Switzerland

Seminar: Global Views on Palliative Care for Older People: priorities in research and clinical practice

Friday, May 25th, 18.00-21.00

Location: Kursaal Bern (Kursaal Arena), Kornhausstrasse 3, 3000 Bern 22
 Directions: <http://www.kursaal-bern.ch/Company/Contact/Arrival>

Registration:

- Registration fee €20
- Register at <http://www.eapcnet.eu/research2018/>

Registration is added to the overall registration to the EAPC 2018 Conference. Should you want to register to the PACE seminar without attending the EAPC 2018 Conference, contact: www.eupace.eu or Yuliana.Gatsolaeva@vub.be

Aims:

- Explore state-of-the-art palliative care for older people in a range of settings
- Bring together the PACE consortium with international experts to discuss global best practices
- Set priorities for further development of palliative care for older people.

Target audience:

- Delegates attending the EAPC RN World Research Congress
- Swiss healthcare professionals and care worker in long term care settings for older people
- Any healthcare worker with an interest in palliative care for older people in clinical and social settings

Programme:

- International Experts in palliative care for older people
- Invited speakers & PACE Researchers
- Presentations of the EU FP7 PACE project (2014-2019)
- PACE poster presentations

Refreshments will be served before the meeting (coffee/fruits/sandwiches)
