

Final Report – Mobility for Regional Excellence

Grant Number 608743

1. Final publishable summary report - detailed information on applicants and awarded grants

Table 1: Total number of applications and granted projects

Call 1		Call 2		Call 3		Total	
Applications	Granted	Applications	Granted	Applications	Granted	Applications	Granted
17	5*	15	9	16	5**	48	19

* Six projects were originally awarded in Call 1, but one researcher declined the grant.

** Four projects were initially awarded in Call 3, but the Regional Development Committee of Västra Götaland later decided to fund a fifth.

Table 2: Applicants to each call categorized by applying research and innovation milieu in Västra Götaland

Applying milieu	Call 1		Call 2		Call 3		Total	
	Applications	Granted	Applications	Granted	Applications	Granted	Applications	Granted
Chalmers University of Technology	5	3	5	3*	3	1	13	7
University of Gothenburg	7	2	6	4	4	3**	17	9
University of Borås	0	0	0	0	5	0	5	0
University of Skövde	2	0	1	1	1	0	4	1
University West	0	0	1	1	1	0	2	1
Swedish University of Agricultural Sciences	2	0	2	0	1	1	5	1
SP Technical Research Institute of Sweden	1	0	0	0	0	0	1	0
PKMC (Prehospital and Disaster Medicine Center, VGR)	0	0	0	0	1	0	1	0
Total	17	5	15	9	16	5	48	19

The MoRE programme is a tool to achieve the objectives of Västra Götaland 2020 – Strategy for growth and development in Västra Götaland 2014-2020.

The programme has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no. 608743.

* One awarded fellow from Chalmers University of Technology later switched employer to the University of Gothenburg, with approval from VGR. This did not, however, affect his host milieu as he was an outgoing researcher.

**One awarded fellow from the University of Gothenburg later switched employer to the Swedish Environmental Institute IVL with approval from VGR. This did not, however, affect her host milieu as she was an outgoing researcher.

Table 3: Total number of applications categorized by research area

Area	Applications	Projects granted
Sustainable transport solutions	1	0
Life science	12	6
Green chemistry	2	1
Marine environment and Maritime sector	5	2
Urban development	1	1
Material sciences	4	2
Sustainable production	2	1
ICT	11	3
Energy	3	1
Tourism	2	1
Food production/ Green industries	4	1
Culture and creative industries (KKN),	1	-
Textile/ Fashion/ Design	-	-

Table 4: Applications and granted projects categorized by gender of applying researcher

	Call 1	Call 2	Call 3	Total	Granted	Ratio
Female	10	6	7	23	11	61
Male	7	9	9	25	8	39

Table 5: Applications and granted projects categorized by type of mobility

Type of mobility	Call 1		Call 2		Call 3		Total	
	Applications	Granted	Applications	Granted	Applications	Granted	Applications	Granted
Incoming	6	2	6	3	6	1	18	6
Outgoing	11	3	9	6	10	4	30	13
Total	17	6	14	9	16	5	48	19
