The kickoff meeting was held in Brussels in May 2014.

The agenda from the kick-off is available here: [KICKOFF AGENDA](#).

A conference on NTM measurement and available data was held at the WTO in Geneva on 24 September 2014, organized jointly with the WTO and UNITC. This featured a joint presentation by the World Bank, OECD, UNCTAD, and UNITC on ongoing database development efforts.

The conference program is available here: [Agenda NTM conference September 24 2014](#).

Slides are available here: [Conference presentation slides](#).

A workshop on methodologies for NTM measurement was held in Geneva on 25 September 2014 at the UNITC. A summary of the discussion on NTM measurement methodologies (which will ultimately lead to a methods inventory) is available here: [Discussion slides on methodology](#).

A two page overview of the mapping of data tasks under WPI is available here: [mapping data into WPI](#).
