# Seminar on HORIZON 2020: An insight into the EU framework programme for research and innovation

The overall objective of the training day is to give an overview of the Horizon 2020 EU programme (how it works, the participations rules, project life cycle etc.) with a focus on the possibilities available for the Mediterranean Partner Countries.

 4 Marzo 2015 - 4 Marzo 2015

 Morocco

Meeting Venue: kenzi Tower Hotel. Twin Center, bd Zerktouni, 20 100 Casablanca.

The main objective is to provide the researchers, R&D managers and project managers with the basic knowledge about H2020 to achieve the following:

- To know more about the programme, the specific areas that are funded by Horizon 2020, financial and legal issues and the new rules of participation
- To enhance the participation in H2020 as well as to increase the proposal's success rate
- To know the opportunities for collaboration under H2020
- To know useful tools for the preparation and planning of project's proposals

The seminar will be held in French and the expected number of participants is over 40 researchers, R&D managers and project managers from the Maghreb.
