

# FrAmework for Clinical trial participants data reutilization for a fully Transparent and Ethical ecosystem

## Results

### Project Information

#### FACILITATE

Grant agreement ID: 101034366

[Project website](#)

#### DOI

[10.3030/101034366](https://doi.org/10.3030/101034366)

#### EC signature date

11 October 2021

#### Start date

1 January 2022

#### End date

31 December 2025

#### Funded under

SOCIETAL CHALLENGES - Health, demographic change and well-being

#### Total cost

€ 7 562 151,00

#### EU contribution

€ 3 260 000,00

#### Coordinated by

UNIVERSITA DEGLI STUDI DI MODENA E REGGIO EMILIA

Italy

CORDIS provides links to public deliverables and publications of HORIZON projects.

Links to deliverables and publications from FP7 projects, as well as links to some specific result types such as dataset and software, are dynamically retrieved from [OpenAIRE](#).

## Deliverables

Documents, reports (11)

[Ethical standards and guidelines No. 2](#) 

Ethical standards and guidelines

[Consortium handbook](#) 

Consortium handbook to provide important information about the structure of the project the governing structure relevant tools for financing and managing activities

[Ethical framework](#) 

Ethical framework first draft for the return of trial data to patients and stakeholder informed strategies for the secondary use of data

[Report of the stakeholders involvement plan results No. 2](#) 

Report of the stakeholders involvement plan results, periodic report concerning the archived results of the activities

[Expert Decision Committees establishment and management rules](#) 

Expert Decision Committees establishment and management rules to define the rules of each Committee and its composition

[Communication, dissemination, and exploitation plan](#) 

Communication dissemination and exploitation plan detailed plan where to define the strategy according to EU rules

[Report on stakeholders' needs and potential barriers](#) 

Report on stakeholders' needs and potential barriers for adoption of the process and associated tools developed through the FACILITATE project

[Report of the stakeholders involvement plan results No. 3](#) 

Report of the stakeholders involvement plan results, periodic report concerning the archived results of the activities

[Ethical standards and guidelines No. 1](#) 

Ethical standards and guidelines

[Report of the stakeholders involvement plan results No. 1](#) 

Report of the stakeholders involvement plan results periodic report concerning the archived results of the activities

[Scientific Advisory Board establishment and management rules](#) 

Scientific Advisory Board establishment and management rules, to define the rules of the Board and its composition

## Websites, patent filings, videos etc. (1)
