GEMM

Grant agreement ID: 649255
Project website

Start date 1 September 2015  End date 31 December 2018

Funded under: H2020-EU.3.6.
Overall budget: € 2 498 510
EU contribution € 2 498 510

Coordinated by: UNIVERSITY OF ESSEX
United Kingdom

Deliverables

Documents, reports (40)

Integrated cross-national dataset on anti-discrimination policies
Integrated cross-national dataset on anti-discrimination, immigrant integration, and citizenship policies

Final Report
Final Report

Integrated cross-national dataset on migration policies
Integrated cross-national dataset on migration policies and recognition of foreign educational credentials

Report on institutional and contextual factors
Report on institutional and contextual factors

Ethics Report: Qualitative Fieldwork
Ethics Report: Qualitative Fieldwork

It will include submitted application to the Ethics Clearance Board of the relevant country plus their final decision and report of the process.

**Discussion paper on migrant motivations in WP4**
Discussion paper on migrant motivations in WP4

**Report on recruitment methods**
Report on recruitment methods, gender and country of origin factors

**Report on taste and statistical discrimination**
Report on elements of taste and statistical discrimination in the hiring process

**Discussion paper on the impact of individual, contextual and institutional predictors in WP2**
Discussion paper on the impact of individual, contextual and institutional predictors in WP2

**Policy Brief on migrant motivations in WP4**
Policy Brief on migrant motivations in WP4

**Report on discriminatory behaviour in high-skilled occupations**
Report on discriminatory behaviour in high-skilled occupations: attracting high skilled migrants

**Policy Brief on cross-national patterns WP3**
Policy Brief on cross-national patterns of ethnic discrimination in WP3

**Inventory of datasets/individual factors**
Inventory of datasets/research/preliminary results on individual factors: ethnic origin/country of birth, years since migration, gender, naturalization, migration decision, social ties

**Other Discussion Papers**
Other Discussion Papers Throughout Project :12, 24 and 36

**Inventory of datasets/contextual factors**
Inventory of datasets/research/preliminary results on contextual factors: segregation and deprivation in local area
Review: ethnic discrimination
Review: ethnic discrimination, the structure of the labour market and economic conditions: regional and international comparisons

Discussion paper on institutional arrangements in WP5
Discussion paper on institutional arrangements in WP5

Ethics Report: Field Experiments
Ethics Report: Field Experiments

It will include submitted application to the Ethics Clearance Board of the relevant country plus their final decision and report of the process.

Report on individual factors
Report on the impact of individual factors: ethnic origin/country of birth, years since migration, gender, naturalization, migration decision, social ties

Policy Brief on the impact of individual, contextual and institutional predictors in WP2
Policy Brief on the impact of individual, contextual and institutional predictors in WP2

Report on ethnic discrimination across Occupations
Report on ethnic discrimination across occupations and sectors

Overview of recruitment methods, individual factors
Overview of recruitment methods (based on both qualitative and quantitative data), gender and country of origin factors; delivery of focus group guide and of interview-in-depth guide

Discussion paper on cross-national patterns of ethnic discrimination in WP3
Discussion paper on cross-national patterns of ethnic discrimination in WP3

Cross-national comparative report on the impact of individual, contextual and institutional predictors in WP2
Cross-national comparative report on the impact of individual, contextual and institutional predictors in WP2

Country Reports
Country Reports combining findings from WP1 to WP5: D6.1aUK; D6.1bNetherlands; D6.1cGermany; D6.1dItaly; D6.1eSpain; D6.1fNorway; D6.1gBulgaria; D6.1hRomania

Overview of institutional and contextual factors
Overview of institutional and contextual factors

**Dissemination booklet in all languages of the consortium**
Dissemination booklet in all languages of the consortium

**A Cross-national Report on the experience of Mobility**
A Cross-national Report on the experience of Mobility

**Report on gender differences**
Report on gender differences and ethnic discrimination

**Review: taste vs statistical discrimination**
Review: taste vs statistical discrimination in the hiring process

**Report on cross-national patterns of ethnic discrimination in WP3**
Report on cross-national patterns of ethnic discrimination in WP3

**Report on cultural distance**
Report on cultural distance and ethnic discrimination

**Policy Recommendations Report**
Policy Recommendations Report

**Inventory of datasets/institutional factors**
Inventory of datasets/research/preliminary results on institutional factors: private and public sector differences, and on complementarity and benefit claiming

**Report on institutional factors**
Report on the impact of institutional factors: private and public sector differences, and on complementarity and benefit claiming

**Report on regional differences**
Report on regional differences in ethnic discrimination

**Policy Brief on institutional arrangements in WP5**
Policy Brief on institutional arrangements in WP5

**Report on regional comparisons**
Report on regional comparisons: Mediterranean countries: Italy, Portugal and Spain; Germany, France, UK and the Netherlands
Publications

Report on cross-national patterns
Report on cross-national patterns of ethnic discrimination

Report on contextual factors
Report on contextual factors: segregation and deprivation in local area

Open Research Data Pilot (1)

Sharing data on Website
Database Interface on Website

Websites, patent fillings, videos etc. (1)

Project Website
Project Website

Other (2)

a harmonized field experiments database
Delivering a harmonized field experiments database in 5 countries

Dataset qualitative fieldwork
Dataset based on sending and receiving countries
