Progetto chiuso

Data della firma CE

27 Febbraio 2015

Data di avvio

1 Settembre 2015

Data di completamento

30 Settembre 2018

Finanziato da

SOCIETAL CHALLENGES - Europe In A Changing World - Inclusive, Innovative And Reflective Societies

Costo totale

€ 2 498 786,00

Contributo UE

€ 2 498 786,00

Coordinato da

ALMA MATER STUDIORUM -
UNIVERSITA DI BOLOGNA

Italy

Questo progetto è apparso in...

**Comprendere tempi
politici turbolenti
attraverso una ricerca
innovativa finanziata
dall'UE**

CORDIS fornisce collegamenti ai risultati finali pubblici e alle pubblicazioni dei progetti ORIZZONTE.

I link ai risultati e alle pubblicazioni dei progetti del 7° PQ, così come i link ad alcuni tipi di risultati specifici come dataset e software, sono recuperati dinamicamente da [.OpenAIRE](#)

Risultati finali

Documents, reports (9)

[Blue paper: The role of media representation of the EU and youth active citizenship](#)

It will summarize the main findings for dissemination purposes to relevant non academic stakeholders

[Blue paper on schools civic education](#)

The paper will summarize the main findings of WP6 in non-technical terms for dissemination to relevant stakeholders

[Blue paper. Youth active citizenship in the EU](#)

The paper will summarize the findings of WP2 in non-technical terms for dissemination to relevant stakeholders

[Blue paper on the Intervention in schools](#)

It will summarize the main results of the intervention in non-technical terms for dissemination to relevant stakeholders

[Blue Paper. Focusing on inequalities in youth active citizenship: Findings from large European surveys](#)

The paper will summarize the main findings of WP4 in non-technical terms for dissemination to relevant stakeholders

[Communication and dissemination activities II](#)

The deliverable will include the activities aimed at communicating and disseminating the findings of the project. These will include: (1) a catalogue of youth participatory practices in the EU, two Toolkits for promoting youth active citizenships, respectively, (2) in youth organizations and (3) in schools, two policy briefs for (4) national and (5) EU public authorities, (6) recommendations for media producers and media organizations and (7) a documentary. The catalogue will contain a list of youth organizations in the EU countries involved in the case studies. The toolkit for youth organizations will translate the project's results into a simple, clear and youth-friendly form, enabling youth organizations to exploit the project's results. The toolkit for teachers will translate the project's results into guidelines for teachers, enabling them to exploit the project's results in the schools' curriculum. Policy briefs will provide suggestions to national and EU public authorities to exploit the project's results. Recommendations for media producers and media organizations will aim to help them to exploit the project's results. The documentary will illustrate and share main findings of the project on youth active citizenship in practice a documentary on the project to share main findings of the project with young people

[Communication and Dissemination activities I](#)

The deliverable will describe the communication and disseminating activities put in place during the first 12 months of the project. These will include also the construction of the CATCH-EyoU Web site and a Web platform (on the FNG web site). The website will be linked to the existing youth and consortium's websites. It will give access to project newsletter, WPs outputs and deliverables. The web platform (on the FNG web site) will consent the publication of ongoing and final results addressed to young people ages 15-30

[Blue policy paper: Perspectives of policy makers on EU and on youth active citizenship](#)

Perspectives of policy makers on EU and on youth active citizenship: a cross-national report. This deliverable will describe the main findings of the research in non-technical terms for dissemination to relevant non academic stakeholders.

[Blue paper. Political identification and engagement among European youth: Finding from the longitudinal study](#)

It will summarize the findings of the longitudinal study in non-technical terms for dissemination to relevant stakeholders

Websites, patent fillings, videos etc. (1)

[How schools promote active citizenship in the EU: a documentary](#)

The documentary will summarize the results of the qualitative research conducted in schools
