Eco-innovative maceration system based on LFHP ULTRASound technology for WINEmaking

News & Multimedia

Project Information

ULTRAWINE

Grant agreement ID: 672309

[Project website](#) 

DOI

[10.3030/672309](https://doi.org/10.3030/672309) 

Project closed

EC signature date

1 June 2015

Start date

1 July 2015

End date

30 June 2017

Funded under

SOCIETAL CHALLENGES - Climate action, Environment, Resource Efficiency and Raw Materials

Total cost

€ 1 131 262,50

EU contribution

€ 791 359,00

Coordinated by

PRODUCTOS AGROVIN SA

Spain
