TRISTE PER IL PROGRESSO E
LA LIBERTA DELLE SCIENZE

CORDIS oferuje możliwość skorzystania z odnośników do publicznie dostępnych publikacji i rezultatów projektów realizowanych w ramach programów ramowych HORYZONT.

Odnośniki do rezultatów i publikacji związanych z poszczególnymi projektami 7PR, a także odnośniki do niektórych konkretnych kategorii wyników, takich jak zbiory danych i oprogramowanie, są dynamicznie pobierane z systemu [OpenAIRE](#) .

Rezultaty

Documents, reports (6)

[Evaluation report on the participation in ESOF2020](#)

D7.2: Evaluation report on the participation in ESOF2020 and the festival Evaluation report on the participation in the Forum of ESOF2020 (gender; age; country of origin; type of audience (scientists, business, policy-maker, media, civil society, ...) and the satisfaction of the attendees. Analysis of the evaluation data collected among samples of the festival participants and the involved organizations.

[List of ESOF2020 labelled events](#)

D2.3: List of ESOF2020 labelled events The labelling campaign of scientific events “ESOF2020 - Trieste European City of Science” has allowed a strong dynamic around ESOF at the regional level. The ESOF2020 Delivery Team organizes and oversees the labelling process of events organized by academics, scientific culture community, innovation sector and territorial institutions. The selection criteria are based on the scientific quality, the European dimension of the event, the involvement of society and of youth.

[Analysis of the communication activities' efficiency](#)

D7.3: Analysis of the survey's responses and other materials (e.g. press releases) to analyse the efficacy of the communication activities led during the pre-event period.

[Final report on communication activities related to ESOF2020](#)

D2.2: Final report on communication activities related to ESOF2020 Final report of completed and planned communication activities related to ESOF2020, including a record of activities related to dissemination and exploitation that have been undertaken under the ESOF2020 project, and those planned after the end of the project.

[Plan of exhibitions with list of exhibitors](#)

D4.3: Plan of Exhibitions with list of exhibitors

[List of jury members](#)

D8.1 List of jury members

Other (2)

[Conference Programme](#)

D3.2: Conference Programme Conference Programme of the whole event (including the Scientific Programme, the Science Policy Programme, the Careers Programme, the Media Programme, the Business Programme) will be available in the project website and through a dedicated app.

[Festival Final Programme](#)

D5.3 In month 9 the final, complete and detailed Programme of the Festival will be ready and printed for distribution in town and outside.

Websites, patent fillings, videos etc. (1)

[Festival website and communication tools](#)

D5.2 Approximately 10 months before the starting of the festival a website will be published to promote main features and highlights of the event. In order to attract a large public, paper materials will also be printed to be distributed also thanks to the regional Tourist Agency in tourism fairs and exhibitions in Italy and abroad. Updates on the festival will also be given through ESOF newsletter during the whole time of the project.
